VIROKILL
Kills 99.99% Viruses

LIFETIME WARRANTY

4 TIMES
—MONEY BACK PROMISE—

Architect Ply, a premium plywood from the house of CenturyPly, now comes with absolute fire-retardant properties. It is made from exclusive hardwood species bonded with BWP synthetic resin. Also, clubbed with the revolutionary GLP (Glue Line Protection) technology, it's 100% borer and termite proof.

- IS: 710-BWP grade
- Two tier treatment-GLP and ACC
- E0 emission complaint
- Calibrated for uniform thickness
- Lifetime warranty*
- Borer and termite proof with a lifetime warranty
- Absolute fire-retardant properties in accordance with ASTM E-84
- Green building certified
- Anti fungal property
- Gurjan face
- Fully composed core for zero gaps or overlaps
- Calibrated
